REFERRAL - KAUPAPA MAORI SERVICES

These Kaupapa Maori agencies and services are your first port of call to provide you with the support that your whanau, hapu or iwi need to access. They have designed programmes within a Maori framework. We have internal and external connections with other kaupapa Maori Services who can provide you support closer to you. They also engage with various Maori communities, Marae, other local Kaupapa Maori organisations, ie Whanau Ora facilitators, E Tu Whanau services. As whanau, working collectively under whakawhanaungatanga is important to us and our customary right to provide the absolute best to you and your whanau.
